APRIL 2021 - VICTORIA THEATRE

Many of you will have seen HATY's amazing production in 2017. Now it's the turn of HAOS to bring this show to life. We are delighted to announce that we have secured the rights for Andrew Lloyd-Webber's 'Whistle Down The Wind' at the Victoria Theatre for April 2021, along with HATY. Keep your eyes peeled in the autumn for further information regarding the production.

AND SEPTEMBER 2021 ...

In September 2021 we will find out whether these boots were made for walking on the Victoria Theatre stage! We are thrilled to have secured the rights to bring this brilliant show to the Halifax audiences. With an amazing score from the very talented 80's legend Cyndi Lauper, a storyline full of laughter and tears and, of course, those boots, this will be a show to remember.
